JACKLINE CHEPTANUI

PERSONAL STATEMENT

Jackline Cheptanui is a software developer with a track record of success in creating well-received and commercially viable apps. She is working as a team and incorporating input into projects. Currently working with schoolmates to develop a school system that eased data storage using Django. Strong eye for detail and tenacity to never quit on something until it is perfect.

Work Experience

-AS SALESPERSON MAY/2020-JUNE/2020
Peter Koch shop.
Working as a salesperson at a kipsigak shop managing the product deliveries and orders. finding potential customers and persuading these customers to purchase goods and services.
